Dear Examiner Lee:

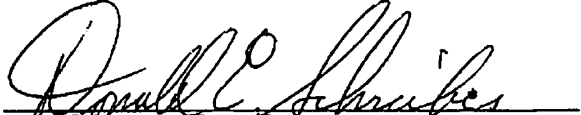

Upon reviewing a response to the June 8, 2001, Examiner's Action for the patent application identified above that was dispatched to the United States Patent and Trademark Office ("USPTO") on October 5, 2001, the client has identified an error in the text of the response in the first full sentence on page 2 thereof.

The accompanying facsimile may contain confidential information and is intended only for the named recipient. If the intended recipient is not at your office or if this facsimile has been erroneously sent to you, please return the original facsimile to us via U.S. mail at the above address and notify us immediately by telephone at (408) 541-9168, collect if necessary.

The first full sentence on page 2 incorrectly states that the response amends claims 1-3 and 5.

Please strike the reference in the first full sentence on page 2 to "claims 1-3 and 5" and replace it with a reference to only "claim 1."

Thank you for your assistance in correcting this error.
